Thistle*
Cowslip
Ragwort
Common Nettle
Ribbed Plantain
Red Campion
White Campion
Geranium Cranesbill*
Dock*
Forget-me-not*
Fritillary

As it was late in the season plants that had flowered earlier in the year may well have been missed, although some were identified from their seed heads and from previous knowledge, such as Cowslips.

*These need to be checked next year to determine the exact variety of the species.
