

Woolston Eyes Conservation Group

www.woolstoneyes.co.uk

Dear permit holder,

Your permit is due for renewal on April 1st 2018. You are reminded that as part of the agreement with the Manchester Ship Canal Co. any visitor using their key **must** be in possession of a current permit. You may on occasion be asked by an official warden to show your permit: **please do not take offence**, as this is to make sure that all visitors are bona fide permit holders and that we are all abiding by the rules laid down by the land owners.

The permit fees will be £15.00 for a single permit & £25.00 for a family permit, which I think you will agree, represents very good value for money.

The cost of our printed wildlife report is £8.00. For those of you who have not read our annual report, I would recommend you consider buying one as it is a very informative, well written, beautifully illustrated report on the flora and fauna seen on the reserve. We are also offering this report in electronic format at a cost of £2.00

Please complete your Permit No. Name and Address and list your requirements on the form below and forward with your remittance together with a **small stamped addressed envelope** to:-

B.R.Ankers, 9 Lynton Gardens, Appleton, Warrington, Cheshire. WA4 5ED

Cheques to be made payable to W.E.C.G.

In accordance with General Data Protection Regulation our Privacy Policy can be seen on our website www.woolstoneyes.com
